Mr. John W. Macy, Jr.  
Executive Director  
U. S. Civil Service Commission  
Washington 25, D. C.

Dear Mr. Macy:

There has been received your letter to Mr. Dulles, dated 17 August 1953, referring to the requirement for submission of information for the security investigations index as prescribed by paragraphs 9 (a) and (b) of Executive Order 10450. You suggest that there may be a satisfactory resolution of the requirement of the Executive Order with the statutory responsibilities of this Agency.

It is believed that this matter is one which should receive careful consideration both by the Commission and this Agency. With this in mind, I shall request representatives from this Agency to contact you in the very near future.

Sincerely,

15/

L. K. White  
Acting Deputy Director
